

# HOW TO EDIT YOUR FUNDRAISING PAGE

**Personalize, personalize, and personalize!**

We've set up default language and a photo on your fundraising page, but it's important to customize this.

1. **Log in to your Participant Center** and click on the **Home** tab. Team Captains can edit their personal page and their team page.
2. **Scroll down** to the **Personal Page** box on the right.
3. **Edit your Personal Page URL** by clicking on the blue button **URL Settings**.
4. **Edit the Title and Body** by clicking on the blue button **Edit Content**.
5. **Add your own story** in the body of the page about why you support AHRC Foundation. Share a personal story and ask for donations.
6. **Add a personal photo or video** by clicking the **Update Media** button.
7. **Edit Goal** as your fundraising progresses.

The screenshot shows a user's fundraising profile page. On the left, there are three summary boxes: "Your Fundraising Progress" with a progress bar from \$0.00 to \$500.00 and an "Edit Goal" button; "Badges" with the text "Badges are fun things you can earn."; and "Personal Donations" with the text "No donations found.". On the right, the "Personal Page" section is visible. It includes a "Personal Page URL" field with the address "http://ahrc.convio.net/goto/karen22" and a "URL Settings" button. Below that is the "Title" field with the text "Why I'm Walking & Fundraising" and an "Edit Content" button. The "Body" section contains a paragraph: "I'm walking because I know that **with every step, I'm making a difference in someone's life.** And when participating with a thousand other walkers, we will provide even more opportunities for people with intellectual and developmental disabilities. Your donation ensures AHRC Foundation can continue to provide financial support to AHRC Nassau, BCCS, Citizens Options Unlimited, Advantage Care Health Centers, and other community-based organizations, **so people have the supports and resources they need throughout their lifetime.** Please walk with me or make a donation and help me reach my fundraising goal!". At the bottom of the page, there is a "Photos/Video" section with an "Update Media" button and a placeholder image for a photo upload with the text "UPLOAD YOUR OWN IMAGE".
